Regnology Finance Hub

Regnology Finance Hub – Data Layer and Main finance processes (FF1)

Durée : 1 jour | Langue(s) : EN

Prérequis : Aucun | Prix H.T : 750€

Prochaines dates :

Pas de prochaines dates

Détail de la formation :

Désignation : Regnology Finance Hub – Data Layer and Main finance processes (FF1)

Contenu et objectifs :
This 1-day seminar will provide you with a practice-oriented introduction to Regnology Finance Hub. Acquaint yourself with the basic operational concepts of the software, its GUI structure and functionalities, and the underlying data models. You will learn how to effectively handle the data, so that after completing the seminar you will be able to understand the main finance processes and utilize the data management functionalities.

By doing exercises in a live system, participants will utilize and deepen the seminar content.

Audience
This training is aimed at business users of Regnology Finance Hub. No prior knowledge is required.

Technology Requirements (applies to webinars)
Webinars will be held using a video conferencing tool. If required, Regnology conducts a short test conference call before the actual webinar date, to ensure that technology requirements are met at participants' end.

Trainers and Language
All our trainers are employees of Regnology. Due to their extensive practical experience and their well-structured training approach, they will provide you with the knowledge required for your daily working with Regnology Finance Hub.

The training will be held in English.
